

Police Win Streak Snapped by Compton

The Police nine winning streak was snapped at 11 games Sunday when the Compton Peace Makers blasted the locals 9-1 while limiting them to five hits.

Sunday's defeat marked the first loss for Pitcher Jerry McVaine since he donned the Police uniform this spring after completing a successful season

chucking for El Camino. Two successive singles to start their half of the third inning was the beginning of a four-run rally for the Compton ball hawks. The Peace Makers didn't score again until picking up one run in the seventh. Another four-run rally in the ninth sewed up the game.

Torrance's only run came in the sixth when Moose Bennett singled and scored when Vic Ordaz doubled. Ordaz got two of the five hits allowed the locals—a single in the fourth and the sixth-inning double.

Baseball fans will get a double bill here Sunday when the local nine takes on the Wilmington Athletic Club beginning at 2 p.m. and the Los Angeles Centeniors at 8 p.m. In the last game with the Centeniors on May 30 the Police nine came out on

the short end of a 7-4 tally. They haven't played the Wilmington team this year.

BUCK FEVER... "I've been after one of these for nine years," A. F. "Pinky" Palmer said when showing this picture around during the past week. Shown here (left to right) are Edward Palmer, the deer, and the proud nimrod. Palmer got the buck about 9:30 a.m. on the opening morning of the season. (Photo by Richard Palmer).

Palmer Bags Deer After Trying For Nine Unsuccessful Seasons

It took Pinky nine years, but he came home from a hunting trip this year with a buck. The buck was a 170-pound, forked horn deer that rangers said was "one of the finest ever shot in these parts."

Pinky is A. F. Palmer, driver for McMahan's Furniture Store here. Palmer said his luck must have changed when his boys, Richard 17, and Edward 15, gave him a new hunting knife. They said then:

"Dad, this will change your luck." Well, he'd hardly got the gift wrapping off before he was using it on the prize deer. And it didn't take the Palmers—Richard and Edward accompanied their father on the outing—long to bag a load of venison steaks.

Palmer took aim and fired on the huge buck at 9:30 a.m. on opening day. The kill was made in Bouquet Canyon near Lancaster.

Tourney Finals Promise to Be Excellent Tilts

Here's the way the softball tournament, now under way on the Torrance Municipal diamond, lines up for the rest of its run.

Star-Kist Tuna, who has eliminated the Redondo Elks, and Walteria, will meet Hague & Thomas tonight. The Hague & Thomas nine has eliminated Lovelady, and Fenwicks. This game gets under way at 8, and it will be a nine-inning affair. The teams will have an hour to warm up and have batting practice before game time.

Tomorrow night, Lopez Realty, who has eliminated Columbia Steel and Club Gunga Din, will meet Gonzales Construction Company. Gonzales has eliminated K.B.S. Sporting Goods and Harvey Machine.

The winner of tonight's game between Star-Kist and Hague & Thomas will meet the winner of tomorrow night's tussle between Gonzales and Lopez. This will be the final game of the tournament and will begin at 8 Monday.

Like the semifinal games, the Monday night final will be a nine-inning game beginning at 8. Any of the four teams might be the one to step up and claim the handsome game trophy to be presented by Commander James Parks of the Bert S. Crossland Post of the American Legion.

POINTERS... Joan Sutton takes time out to get her picture snapped with Drivers Buddy Lee, Erick Erikson, and Danny Weinberg at the Carrell oval. She has been getting pointers on how to get her 1950 Mercury tuned up for the Saturday night Stock Car race.

Stock Cars, Jalopies, Cycles

Overshadowing speed events in the Southland will be a 250-lap Stock Car championship run under the arcs at Carrell Speedway Saturday night.

One of three speed sessions scheduled for the Gardena oval during the next week, the Stock Car run will be the first held there this year. Entries will be limited to latest models, only '48s, '49s and '50s eligible to enter.

Entries are coming from all corners of the state, according to Promoter Bill White. Three racers are coming from Northern California, and all of the Southland lead-footed drivers will be in there mashing fenders.

Already signed up for the wheel are Erick Erikson, with a 1948 Pontiac; Chuck Meekins, with a 1950 Chevrolet; Lou Figaro, with a new Hudson; Andy Pierce, with a 1949 Buick and Fred Lee, Fred Steinbroner, Bill Norton, Bert Livingston, Clem Proctor, all with Fords.

The two-wheelers will pour on to the track next Wednesday night in an 11-event, AMA-sponsored clash. Tomorrow night the Jalopies will try the tricky "B" course again in what may be their last appearance for the season. White says he's going to turn the

Kiwanis Angling Caravan To Leave Tomorrow Noon

Twenty-two Kiwanians will shake the dust of Torrance from their boots at noon tomorrow and will make like Wetbacks in reverse when they head for the border for a long week-end of fishing.

Destination of the anglers is the Villa Marina, located on the sandy beaches of Ensenada, Mex., according to Cal Newell, who made all the arrangements for the outing. Using the new Villa cabanas as a headquarters, the Kiwanians will go to sea Saturday and try to catch some of those elusive albacore, marlin, and yellowtail which infest the southern waters.

With or without fish, the anglers will return to Torrance Sunday evening.
